The Complete Monster is the most depraved of all characters: a villain utterly lacking in redeeming features. Trying to put a value on the evilness of a Complete Monster is like calculating the credit score of Bill Gates: It's a moot point. Or, anyway, that is how the character is presented in the story. The character is a bad guy, full stop.

God does not bring moral evil upon anyone, but He does bring about calamity and disaster upon those who oppose Him. Such a thing does not make Him evil: it makes Him a just and righteous God. So, in the end, the above examples (and others present on the web site) show how a misunderstanding of history and wrong biblical interpretation lead to ...

First, this is not my problem. This is a problem for Bair's god. His god should know what would be convincing for rational people who cannot believe. The question then becomes why such a god who wants us to believe or be damned, is not providing it. Second, if I were to go further I would say it must be sufficient objective evidence.

Moral law is a system of guidelines for behavior. These guidelines may or may not be part of a religion, codified in written form, or legally enforceable. For some people moral law is synonymous with the commands of a divine being. For others, moral law is a set of universal rules that should apply to everyone.

A monster is often a type of grotesque creature, whose appearance frightens and whose powers of destruction threaten the human world's social or moral order.. A monster can also be like a human, but in folklore, they are commonly portrayed as the lowest class, as mutants, deformed, supernatural, and otherworldly.. Animal monsters are outside the moral order, but sometimes have their origin in ...
