My thoughts on SCOURGED [Spoilers] : irondruidchronicles. level 1. IveAlreadyWon. 2 years ago. I loved the Sloth! I dislike Granuaille so much, and her character seemed to get worse in every book. Kevin Hearne's final novel in The Iron Druid Chronicles, SCOURGED, may not be what you hope it will be. It definitely wasn't what we'd hoped for. Alas. Granuaile's story was the most problematic for me. She is sent to Taiwan to deal with evil gods there and helps the Monkey King, while at the same time learning from him.

Scourged isn't a perfect ending for The Iron Druid Chronicles but is an ending. It's also a good sight better than other endings we have seen to other tales. Hearne provided us with several terrific books before we got here and it's good to see that he managed to complete the tale before the story collapsed beneath its own weight.
