Television script writing Writing for Television vs. Film. Although feature film screenplays and television screenplays have many similarities such as scene headings, formatting techniques, dialogue and character descriptions there are many differences between writing for television and writing for film. To understand the differences, it's first important to understand how a TV show gets made.

[Writing for Television — Format, Genre and Structure](#)

As a screenwriter, you must know how to format a screenplay. No matter how great your movie script is, if it isn't properly formatted, it will be useless as nobody will be able to understand it. Writing a screenplay is different than writing a novel or a book. In the case of a screenplay, you have to stick with the standard screenplay formatting.
