A lot has changed in Sea of Thieves since Rare's shared world pirate fantasy first set sail in March 2018. Thanks to a series of major content updates in the first year – including the game-changing Anniversary Update – and a recent commitment to regular monthly updates, the game has grown and evolved at a scale that few other service-based games can match.

The Master Trader perk increases nearly all merchants' gold by 1000. The merchants who have more gold are all identified in the notes of the following tables. The Investor perk allows you to invest 500 gold in certain merchants, after which that merchant will permanently have 500 more gold available. Some merchants are bugged -- they have the dialogue allowing you to pay them 500 gold, but ...
